6 The Plan's cost

- 6.1 You can pay for the Plan in full before the commencement date of the Plan. If you do so, you will have access to the Plan for the Term unless it is ended early under clause 7.
- 6.2 You may also have the option to pay for the Plan by paying by Monthly Payments. You will be advised at the timing of setting up the Plan if a Monthly Payment option is available to you. If so, the Monthly Payments are payable every month until the Term has ended. The first payment must be paid on the next available and selected debit date. After this, each Monthly Payment is due on the same date of the month as selected.
- 6.3 If you do not pay a Monthly Payment on time, then the Payment Administrator will send you a debit order rejection notification setting out details for your bank account where the direct debit order was rejected. Should you have stopped / reversed the payment(s), please contact your bank to confirm that you have given us authorisation to debit your account and inform our Payment Administrator accordingly. If you do not pay the missed Monthly Payment within 7 days of the Payment Administrator telling you, we may end the Plan (see clause 7.3). If we end the Plan, you will lose any rights under the Plan.
- 6.4 Every Monthly Payment must be made to the Payment Administrator. You authorise the Payment Administrator to collect payments from you using a direct debit mandate under the Direct Debit scheme.
- 6.5 The Monthly Payment is fixed and will not change unless the prevailing rate of value added tax (or VAT) changes. If the rate of VAT changes, the Payment Administrator will tell you of the revised Monthly Payment.

- 6.6 If you pay for your Plan by Monthly Payments, you can book your first service and the other available features under your Plan once 60 days have passed since the Plan commencement date and you have made all payments due to date (including the first two Monthly Payments and administration fee of £25).

- 7.1.2 If you end the Plan after 30 days of (i) the original date of registration of your vehicle or (ii) (if later) the date you receive your Ford Protect Service Plan Certificate, and you have paid the price for the Plan in full, then you shall be entitled to a pro rata refund of your purchase price, based on the number of whole months remaining, less the costs of any claims and a cancellation fee of £25.
- 7.1.3 If you end the Plan after 30 days of (i) the original date of registration of your vehicle or (ii) (if later) the date you receive your Ford Protect Service Plan Certificate, and you have chosen to pay the Monthly Payment, you are responsible for paying a cancellation fee of £25 (inclusive VAT) and settling the costs for all the services and benefits that you have used under the Plan up to the Plan end date. Should you have a negative balance (i.e. the Monthly Payments you have made do not cover the costs you need to settle), then you must pay a balancing charge to settle the outstanding amount and you agree to pay this without further delay.
- 7.2 You will not be entitled to any refund if you end a Plan which was provided to you free of charge.
- 7.3 If you have decided to pay for your Plan by making a Monthly Payment, it is important that you pay the Monthly Payment on time (see clause 6.3).
